One phase of the business cycle is the expansion phase. This phase is a twofold one including recovery and prosperity. During the recovery period there is ever-growing expansion of existing facilities, and new facilities for production are created. More businesses are created and older ones expanded. Improvements of various kinds are made. There is an ever-increasing optimism about the future of economic growth. Much capital is invested in machinery or "heavy" industry. More labour is employed.

More raw materials are required. As one part of the economy develops, other parts are affected. For example, a great expansion in automobiles results in an expansion of the steel, glass and rubber industries. Roads are required, thus the cement and machinery industries are stimulated. Demand for labour and materials results in greater prosperity for workers and suppliers of raw materials, including farmers. This increases purchasing power and the volume of goods bought and sold. Thus, prosperity is diffused among the various segments of the population.

This prosperity period may continue to rise and rise without an apparent end. However, a time comes when this phase reaches a peak and stops spiralling upwards. This is the end of the expansion phase.

I saw the lower portion of the eyes became red. I saw one pliers lying on the place where she was lying. I raised hue and cry. People came. I do not know whom the public informed. Police came and examined the dead body. Ext. 1 is the inquest report. Ext 1 (1) is my signature. I did not find my son – in – law Ashok. He did not return home. That night police did not find him. Next morning, some village lads found Ashok hiding himself in a school at 'Char' area. They kept him tied up. Police was informed. Police came and took him away. The accused admitted before us that he had committed the crime. The accused did not tell how he had killed Labanya. I heard that he gave a lathi and a black wire to the police. I was not present when he gave those two articles. Police seized those. I put my signature on the seizure list. Ext 2 is the said seizure list. Ext 2 (1) is my signature. M. Ext. Ka is the lathi. M. Ext. kha is the wire.

Ashok and Labanya had no dispute. I never saw them quarreling. The houses of Bhim Rajak, Kemen Turi, Naresh Turi are close to my house. The garden line road runs along the front of our houses. I had another daughter. She eloped with a boy long before Labanya's marriage. The bamboo basket, where paddy is stored in was there in the room where Labanya was lying. Bikram's house is in the back side of my house. Coming back from my duty,

I called my daughter ~~lent~~ just she did not reply when Bikram's 10/12 years old daughter whom we call as matu told that

Labanya might have gone towards garden line. I went to her paternal uncle's house assuming that she might be there upon not finding her there, I came back. There was none when I entered the house by opening the door. The plier, which I had seen, was given to the police. I have not seen that tool in the court today. I do not know what is written in Ext. 1. it was written on 29.10.05. police wrote that one thereafter police took the body for post- mortem examination. Police obtained my signature on Ext 2 on 29.10.05. Some persons from the public also put their signature on Ext.2. I do not know who put their signature. I know the Bihari shop owner, Babulal by name. he has shop on the line Babulal did not visit our house. It is not a fact that Babulal used to came to our house. He is still in our line. He is a married man. He has got children.

It is not true that Labanya had illicit relation with Babulal.

I did not see any injury in Ashok's body when the village lads took him under seizure.

It is not true that his body bore injury. Ashok and Labanya did not work in the garden. This is not true that when public caught Ashok he confessed before the public that on seeing Labanya and Babulal having sex a quarrel broke out between him (Ashok) and Babulal; that in that quarrel Babulal and Labanya injured Ashok by hitting him and that when Babulal ran away he (Ashok), out of rage, killed Labanya.

On 28.10.05 at 10-30 p.m. I was working as the I/C of Rowriah Police Outpost. On that day an FIR was received at about 10 P.M, lodged by Sri Kishor Kumar Boruah, the then Factory Asstt. Manager of Gatoonga T.E. about the murder of Smt. Labonya Tanti by her husband. The FIR was sent by informant through Garden Chowkider. Upon that FIR, Rowriah O.P. G.D.E. No.540 dtd. 28.10.05 was made at 10-30 p.m. Exbt.3 is the said FIR and Exbt.3(2) is my signature with note about the G.D.entry dtd.28.10.05 ~~dtd. 28.10.05~~ made upon that FIR. and I had sent the FIR to the concerned Jorhat P.S. for registration of a case and I had taken up investigation. Upon that FIR Jorhat P.S. case No.384/05 U/S 302 IPC was registered I had visited the place of occurrence on that night. I had recorded the statement of some witnesses at that night. Due to night I came back keeping the dead body of deceased Smti. Labonya Tanti on the place of occurrence under police guard.

Next day, I had given requisition to depute one Executive Magistrate for inquest of the dead body. Learned

(19)

Executive Magistrate Sri Jadav Saikia had performed the inquest over the dead body in my presence. Exhibit.1 is the said inquest and Ext.1(2) is the signature of Executive Magistrate, Sri Jadav Saikia whose signature is known to me as I had worked with him in law and order duty. I had sent the dead body of Labonya Tanti to Jorhat Civil hospital for post mortem examination.

I had arrested accused Sri Ashok Patra @ Tanti, the husband of the deceased who had admitted his guilt and had given information to me that he would produce the incriminating weapon by which he killed his wife and as per his information he had produced one Bamboo lathi and a black wire which I had seized vide Exhibit-2 in presence of the witnesses. Exhibit.2(3) is my signature there. Material Exhibit.A is the said lathi and material Exhibit.B is the wire seized by me .

I had recorded the statement of remaining witnesses. Thereafter, I had sent the accused to court on 29.10.05 with the prayer to record his statement U/S 164 Cr.P.C. but later on, it is revealed that the accused had declined to confess. Later on collecting the post-mortem report of the deceased , I had submitted charge sheet against accused Sri Ashok Patra @ Tanti U/S 302 IPC. At the time of arrest some injuries were found in the person of accused Sri Ashok Tanti where he revealed to me that he was beaten by the public and kept him confined by the people from which I had arrested him .

At the time of occurrence accused Sri Ashok Patra @ Tanti was living with his wife Smt. Labonya Tanti in the house of his father-in-law Sri Shivo Tanti since his marriage with Smt. Labonya Tanti and at the time of occurrence the accused was not on Garden Employee of Gatonga Tea Estate. I had prepared sketch map of the place of

cntd...P/3.

occurrence. Exbt.4 is the said sketch map and Exbt.4(1) is my signature there . At the time of my first visit to the place of occurrence on the night of 28.10.2005 I had not met the accused there as he had fled away . But on the next day when I had visited the place of occurrence he was found kept confined by the public .

X X X

I could not ascertain from the witnesses at what time Smt. Labonya Tanti was killed on 28.10.2005 as the father of the victim was on duty and in the house only accused and his wife were there . I had arrived at the place of occurrence on 28.10.05 at 11 p.m.

Before receiving FIR no any information about the occurrence was received verbally or over telephone. The endorsement made in the FIR that the labourers had gone to work on that day at 7 a.m. and after returning from work at 6 p.m. they heard about the occurrence for which the informant was informed for lodging ejahar at Rowriah O.P. on 28.10.05 at 19-30 p.m. was more at the time of filing of the F.I.R.

The seized articles were brought by accused from the Bed room of the house of Sri Shive Tanti where the incident was occurred. The seizure witnesses and some other persons were there at the time of said seizure . It is not a fact that the accused Sri Ashok Tanti had never led me upon his information given to me to recovery the seized articles.

contd..p/4.

It is not a fact that the seizure witnesses had not entered into the house at the time of leading to discovery. The seized articles were not sent for chemical examination to F.S.L.
